**IPTEC Participation in The Lebanese National Energy Conference, Conducted on Theme: "Sustainable Energy in Lebanon from the 2020 Concrete Targets to the 2030 Visions"**

On the 13th of March, the Lebanese National Energy held a conference conducted on theme: **"Sustainable Energy in Lebanon from the 2020 Concrete Targets to the 2030 Visions"**, where Dr. Toni Issa, President of IPT Energy Center (IPTEC), had an intervention within the human factor panel, to better understand the potential of the energy sector in generating job opportunities and the significant role of the universities and start-ups in the creation of new technologies and academic disciplines. Dr. Issa discussed jobs and workforce development in the clean energy economy in Lebanon since the increase in renewable energy projects affects jobs creation on a large scale. Dr. Issa focused as well on the readiness for investment in sustainable energy rise in Lebanon and the establishment of entrepreneurial eco-systems and growth-oriented entrepreneurship... The Lebanese National Energy conference was launched under the high patronage of His Excellency the President of the Lebanese Republic, General Michel Aoun and in collaboration with the Ministry of Energy & Water and the Lebanese Center for Energy Conservation (LCEC).

## IPT Fuel Gift Card

### One Gift for Mom, and One Gift for Me!

Make your Mother's Day so special by filling her heart with Love and fueling her car with Quantum fuel from IPT. Take part of IPT Mother's Day competition, by following the below steps:

- Buy your mom an **IPT Fuel Gift Card**
- Like **IPT Group Facebook Page**
- Tag your friends

You will enter the draw to win valuable gifts. Visit our [Facebook page](#) to know more. Click [here](#) to know more about the **IPT Fuel Gift Card**

## Energy Awareness Awards

### Apply Now to the 2nd Edition of the Energy Awareness Awards (EAA 2018)

Under the patronage of the MoEW, the United Nations Development Programme (UNDP) and the **IPT Energy Center (IPTEC)** are organizing the 2nd Energy Awareness Awards (EAA 2018). The objective of the awards is to recognize efforts put forth by institutions and organizations in

## Energy Sustainability

### World Water Day 2018

*International World Water Day is held annually on 22 March as a means of focusing attention on the importance of freshwater and advocating for the sustainable management of freshwater resources. This year's theme, 'Nature for Water', explores nature-based solutions (NBS) to the water challenges we face in the 21st century and raises awareness on water conservation. Planting trees to replenish forests, reconnecting rivers to floodplains, and restoring wetlands, are some sustainable and cost-effective ways to help rebalance the water cycle, mitigate the effects of climate change and improve human health and livelihoods. [Read more.](#)*

*The World Water Day comes in line with the objectives of the Lebanese National Energy conference held on March 13 on Sustainable Energy in Lebanon, especially that the forum addressed the theme of adopting new water and energy conserving technologies in Lebanon. [Read more](#)*

reducing their energy footprint and integrating sustainable practices within their respective fields. Ultimately, these initiatives would contribute to reducing air pollution at the local level and improve environmental performance also through the reduction of Greenhouse Gas Emissions (GHG) contributing to climate change. The awards recognize outstanding achievements under the following themes: Renewable Energy, Energy Efficiency & Conservation, Mitigation of Climate Change, Innovation in Energy, and Integrated Category.
