Our Stations

New IPT Station Opens in Ain Delb, Saida

IPT continues to grow with new gas stations expanding everywhere in Lebanon; in line with the beautiful towns and villages that we discover together throughout this journey. This week we are featuring the new IPT "Kattan" Station located in the main road of Ain Delb village in Saida District. Wide in space, and surrounded by greenery and trees, IPT "Kattan" station offers you the eco-friendly Gasoline Quantum 98&95, the green IPT Diesel, Elf lubricants oil change, and car wash service. Energy Sustainability

IPT Stations: Your Eco-friendly Pit-Stop

IPT is known for adopting a green approach on its gas stations to encourage the use of clean energy sources and to minimize emissions and waste. For this end, IPT has always been the perfect stop for environmentally conscious people. Check [here](#) a Must-Read article by The Daily Star, highlighting the benefits of cycling, especially in the over-populated city of Beirut, through the eye of Philippe Dagher: "[Beirut's First Bicycle Mayor Aims for Car Reduction of 50%](#)".
