Urb-Hackathon

3 Days of Urb-Hackathon

Following the big launch of the Urb-Hackathon by IPTEC and eEcosolutions, more than 140 registrations from professionals and students from different fields and backgrounds were received. However, the Urb-Hackathon selection committee had to select 37 final participants to form teams and work on finding solutions to reduce the impact of air pollution caused by transport in the city, in a limited time frame and in the most technological, advanced and innovative ways. The 37 participants set to work like bees in a beehive on 3 Full Days on March 1st, 2nd and 3rd at the Berytech Innovation Park in Mar Roukoz, to invent, design and produce their prototyped solutions.
