*Letter***Personal Invitation to IPTEC-Fabriano Drawing Exhibition... It's this Friday!**

At IPTEC, we are very excited for this Friday's exhibition where students from all over Lebanon will be present to celebrate more than 100 winning drawings in Fabriano drawing contest 2015-2016 under the theme "Walk & Bike More to Improve the Environment and Health". Be there with your kids to encourage and support the creative ideas of Lebanon's young generation towards a brighter future. This event is held under the Patronage of His Excellency the Minister of Culture Dr. Ghattas Khoury and in collaboration with Beirut by Bike at the Hall of Human Sciences Campus, USJ, Mathaf-Beirut, from 5:00 p.m. to 9:00 p.m. A draw on bicycles, inflators and free coupons will take place. The World's Top 3 Largest Oil Reserves by Country

1. Venezuela – 298.4 Billion Barrels: With over 298 bbl. of proven reserves, Venezuela is recognized as the country with the highest volume of proven oil reserves in the world today.
2. Saudi Arabia - 268.3 Billion Barrels: Saudi Arabia's reserves are considered to comprise a fifth of the entire globe's conventional reserves.
3. Canada – 171 Billion Barrels: As extracting oil from the vast majority of Canada's oil reserves is a labor and capital-intensive process, production tends to come in sporadic bursts rather than steady streams. [Read more](#)
