IPT Quality Management System (QMS): Transition to ISO 9001:2015

ISO 9001
BUREAU VERITAS
Certification

IPT achieved the ISO 9001:2008 certification in 2013 and is currently preparing for the transition to ISO 9001:2015.

In preparation for this transition, the Quality Department in coordination with the HR Department organized a workshop entitled “Steps for the Transition to ISO 9001:2015 the Successful Way” addressed to the Heads of Departments and selected Quality Representatives. The workshop was conducted by Ms. Christianne Jeha (Consultant) who provided an in-depth understanding of the new ISO requirements. This confirms once again IPT's commitment to a continuously improving management system supported by competent people working in perfect harmony to provide top quality products and services and guarantee customers' satisfaction. Premium Products & Services

Quantum Extends Engine Life

Quantum, the Advanced Fuel from IPT, prevents valve sticking phenomenon while reducing sludge formation. This results in higher engine protection and improved lubricant durability. It also enhances overall performance and improves drivability by providing better start and idling in addition to significantly reduced engine stutter, stumbling, hesitation, stalling, surging and acceleration hitches. All this prolongs the life of the engine and reduces vehicle maintenance costs. [Read more](#)

Here For You

IPT Customer Service

At IPT, we are continuously streamlining our customer service and optimizing its efficiency. For this end, we put at your convenience the following Hotline number 71- 624 111 to efficiently serve you anytime, anywhere. Our dedicated team is always at your service to answer all your inquiries and concerns.

Energy Sustainability

SmartFlower: Energy from the First to the Last Rays of the Sun

SmartFlower, the world's first all-in-one solar system, follows the sun for maximum power efficiency.

It is remarkable, powerful and 40% more efficient than traditional solar products, thanks to the innovative smart features.
