New IPT Station Opens in Ras El Maten, Baabda

Wherever the road may take you, you can use our online [Station Locator](#) at anytime to find IPT Stations near you.

Today, we introduce you to the new IPT "Ras El Maten" Station which has recently joined our network. Located on the main road of Ras El Maten town in Baabda district, "Ras El Maten" Station offers you premium IPT products and services as Quantum 98&95, IPT Diesel, Elf lubricants oil change, and car wash. Besides, you can also have a Tires' Repair service for emergency cases.

Ras El Maten is a Lebanese town located on the western steep slopes of Mount Lebanon, in the upper Maten (al-Matn al-A'la) section at varying elevation between 800 to 1000 m above sea level, giving a spectacular view to the towns of Dhour Chweir, Baabdat, Broumana and Beit Mery, also the Mediterranean sea. The beautiful umbrella pines that surround the village are a source of valuable pine nuts, while olives, grapes, figs, apricots and other fruits are cultivated as well.

Hiking lovers, you do not want to miss this! [Read more](#)

Elf Oil Change @ IPT Stations

Ghayyer 3enna W Matghayyer 3anna!

At IPT Stations, we bring to you the Highest quality of European lubricants Elf with the best oil change service. Elf, the oil born in Formula One, is a French product known for its innovation and expertise in the lubricants field thanks to its premium quality, high performance and its involvement in motorsport competitions. Compatible with all cars' types and driving conditions, Elf provides your car with a higher performance and engine protection. [Read more](#)

Calendar April 2018

It is always great to "Start Your Day the Eco-Friendly Way"! Passing together into the month of April, what does IPT "April 2018" Calendar tell you in this regard? Download "[IPT Calendar 2018](#)", and Help Lebanon Become Greener by using the Advanced Gasoline from IPT: Quantum 98&95.

Energy Sustainability

An interview with Ziad Abi Chaker on eco-boards, recycling bins and "leading by example"

Known as the self-styled Garbage Man, Ziad Chaker, an environmental engineer who is specialized in solid waste, believes in a "Zero Waste society" and works to achieve his vision. Check here about his "Zero waste plant" initiative in Beit Mery, and what he was able to achieve so far.

Watch the [video](#) to know more.

Stay tuned to [IPTEC Facebook](#) page for more tips on energy sustainability.
