تأمين غاز

IPT Gas solutions are ideal for your home and business in many ways. IPT Gas Solutions encompass door-to-door distribution to homes, stores, and gas stations with a capacity of 10, and 35 kg. This is in addition to serving higher demands of larger businesses such as factories, restaurants, and hotels, with:

- Bulk gas supply with a Free delivery service
- Being an official distributor of Italian underground and above-ground tanks from Antonio Merloni with a capacity of 500, 1000, and up to 5000 Liters, for kitchens, heating systems, chimneys, boilers, and barbecues, etc. [Read more](#)

Safety First

IPT Terminals: Advanced Safety and Security

Following our occupational "Health & Safety" Policy, we seek to ensure a safe working environment through the implementation of the strictest preventive safety measures, in our buildings, warehouses, gas stations, and most importantly our storage facilities. For this, IPT adopts a strict safety and security system at its terminals. The premises are equipped with a specialized room for Personal Protective Equipment ... [Read more](#)

Our Stations

IPT "Bejjeh" Station in Jbeil District, Newly Renovated!

This week, we feature for you our IPT "Bejjeh" station, situated in Jbeil district at an altitude of 1,800 feet above sea level, and may be reached by taking the road of Amchit and Mayfouq. IPT "Bejjeh" Station is recently renovated to reflect the distinguished image of IPT... [Read more](#)

Sustainability
