### ***Better Engine Performance***

From the very first use, Quantum delivers effective results and actively starts cleaning and protecting the fuel system against deposits.

While most gasoline types are designed to treat the symptoms of incomplete combustion and engine performance, the formulation of Quantum attacks the source of the problem keeping, your engine running optimally. Quantum has a cleanup effect greater than 40% on intake valves. It prevents around 90% of deposits buildup in the fuel system, minimizing the need to increase the octane number to compensate for power loss. This combination of properties avoids long-term fuel consumption and emission drift. [Read more](#)

## Energy Sustainability

### **Turn Your Food Scraps into Compost in 24 hours**

*This trash can turn your food waste into compost in 24 hours. The Zera Food recycler turns orange peels, egg shells, meat, and dairy products into fertilizer you can use in your garden.*

*This magic bin could help "Save The Earth" by reducing food waste that would otherwise go in a landfill. [Watch video.](#)*
