Need to disinfect and deep clean your entire vehicle during Covid-19?

Autoclean is your ultimate carpet and upholstery cleaning and disinfecting vacuum solution. It hooks up to a vacuum and an air compressor to deep clean your vehicle's carpet and upholstery while providing the needed suction and blowing out dirt, crumbs, grime, pet hair, debris and bacteria. By utilizing two power sources, an air compressor and a vacuum, repeated passes over the same area when cleaning carpet, [Read more](#)
