### A New IPT Station Hits the North, and this Time in "Btaaboura"- Koura District

Proudly we introduce to you our new IPT "Btaaboura" station in Koura district- North Lebanon that has recently joined our stations network. The station that took the name of Btaaboura village; the ancestral home of Brazil's interim President Mchel Temer, is located at the main road in the village.

Once you reach the station, you will be overwhelmed with the welcoming of the owner Mr. Youssef Mkhayel who takes care of the smallest details at his station.

Despite its narrow area, the products and services offered at this station are numerous, from gasoline, to Diesel, car wash and oil change, you will benefit from a fast and efficient service at all times. The station will soon "Accept GoGas" and IPT Fuel Cards. [Read more](#)

### Our Achievements

#### IPT Cover Story... In a Nutshell!

Mr. Mchel Issa, Chairman of IPT, and the leader in the oil & gas sector in Lebanon, was featured along with IPT's success story in Lebanon Opportunities magazine, September 2018 special edition entitled: "Oil & Gas Upstream and Downstream Company Profiles".

IPT article is showcased in page 62 under the section "Cover Story: Profile of oil and as importers", where Mr. Zakhia Issa (board member and commercial Director) explains about the early beginnings of the company, as well as the persistence and vision of his father (Mchel). He added to this, the unique approach, the main partnerships, the corporate governance challenge, and the expansion of the business. [Read more](#)

### We Recommend...

### Participate Now!

#### Be Creative and Win 50,000 L.L. of Quantum fuel from IPT

Quantum, the Advanced Fuel from IPT, is available at all our Stations since September 2017. Throughout this year, Quantum has successfully gained the trust of the Lebanese Consumers, due to its numerous benefits on: the environment, the performance of your engine, as well as the fuel consumption.

What is the best way to describe Quantum? It is time to surprise us with your creativity! IPT is giving away 50.000 L.L. worth of Quantum fuel, for the person who can complete the following sentence in the most creative and meaningful way: **Quantum Fuel is....**

Participate now in our [Facebook activation](#) and don't forget to tag your friends to increase your chances.

**IPT in the 2nd edition of the "Oil & Gas Handbook"**

The 2nd edition of the "Oil & Gas Handbook" is here! Published by Lebanon Opportunities, this handbook consists of a full scientific study about the oil & gas sector in Lebanon, in which IPT is among the top leading companies in the petroleum industry in Lebanon and one of the contributors to the national economic growth. The handbook is considered as a reference in the oil & gas field, since it represents a full fledged study of the market that covers the demand, supply, cost, pricing and distribution. It also showcases the major threats and opportunities facing the industry, and provides you with a full understanding of the current and future status of the oil & gas sector in Lebanon.
