An Outburst from Our Heart to Beirut!

Beirut has always been the soul of Lebanon and its people; she has been the rock to lean on in the most challenging times.

The unexpected blast has affected us all. At IPT, our stations were also damaged and our team have come together and started rebuilding. The message we'd like to share with our customers is that IPT is here not only through good times but most importantly in times of need. Our message comes from the heart, to say that we are the generation of hope, a generation that learns its lesson from the past to build a stronger future. [Read more](#)

Premium Products & Services

ELF, The Brand That Fits All Your Needs!

ELF is a legendary brand worldwide: a world of passion, technological expertise and a premium-product culture with high-performance motor oil for all types of vehicles.

As official distributors in Lebanon, ELF is available at most IPT Stations.

Our team is always ready to provide you with the best service. [Read more](#)

IPT Prepaid Fuel Card

Keeps You and Your Loved Ones Moving Forward!

Whether you are looking for an essential gift no one can refuse, or simply trying to find a way to help a neighbor or friend commute more frequently, IPT is always here to answer your needs.

With "IPT Prepaid Fuel Card" you can benefit from fueling services and it can also be given as a thoughtful gift card that can be used at all IPT Stations. You can get the "IPT Prepaid Fuel Card" without extra charges and without the need to open an account. The beneficiaries will profit from the full value paid. [Read more](#)

BP Statistical Review of World Energy 2020

Source: BP

The Statistical Review of World Energy analyses data on world energy markets from the prior year, and provides timely, comprehensive, and objective data to the energy community since 1952.

The combined health and economic shock caused by the Covid-19 pandemic is bound to reshape the global economic, political and social environment... [Read more](#)

**Stay in the loop of the recent developments of energy and the oil & gas business locally and globally by visiting [IPT's Energy Library](#).*
