

### EQUIPT Introducing the 1st KPS Petrol Pipes System™

EQUIPT Proudly announces the arrival of the new KPS Petrol Pipes System™ by the renowned Swedish brand OPW (Dover group). The KPS Petrol Pipe System™ is the most compact, advanced and installer friendly single and double-wall piping system available for use on filling stations. The product range covers all piping needs that may arise on stations: Remote fill, pressure and suction, ventilation, vapor recovery or conduits.

## EQUIPT's In-Ground Lift: A Must-Have for Your Station!

Do you own/manage a gas station? Are you looking for ways to increase your profit? This means delivering an added-value service to your customers. To do so, EQUIPT recommends the heavy duty "in-ground lift", available in its showroom at IPT Headquarter, Amchit. Here are its several benefits and different usages:

- **Car-wash Application:** While cleaning a car, one shouldn't only clean the areas he can see, but also the car underbody.
- **Car Maintenance & Repair Service:** from oil change service to other mechanical...
