

# THE OIL THAT FITS YOU BEST

Oil Category	Specs	Type	Package	Description
--------------	-------	------	---------	-------------

Passengers Cars	Full Synthetic	Elf Evolution 900 SXR SAE 5W-40		<ul style="list-style-type: none"> <li>• Very high performance synthetic technology motor oil designed for lubricating all Gasoline car engines.</li> <li>• Recommended for all supercharged or naturally aspirated Gasoline engines in cars and light vans.</li> <li>• Suitable for all types of service especially in very severe conditions.</li> <li>• For all types of driving, especially at high speed.</li> </ul>
		Elf Evolution 900 USX SAE 5W-30		<ul style="list-style-type: none"> <li>• Very high performance Elf Fuel economy synthetic technology motor oil intended for all Gasoline car engines.</li> <li>• Recommended for all Gasoline engines (multivalve, turbocharged, with or without catalytic converter).</li> <li>• Suitable for all journeys (in town, on highways and motorways) and particularly in severe conditions.</li> <li>• For all driving styles, particularly "vigorous" and high speeds.</li> </ul>
	Semi Synthetic	Elf Evolution 700 ST SAE 10W-40		<ul style="list-style-type: none"> <li>• High performance synthetic based motor oil, especially developed for Gasoline engines in cars and light vans.</li> <li>• Recommended to be used in most cars especially due to its efficiency in moderate temperatures such as Lebanon weather.</li> </ul>
		Mineral	Elf Evolution 300 SAE 20W-50	
	Elf Super SB SAE 50			<ul style="list-style-type: none"> <li>• Monograde oil for older generation Gasoline &amp; Diesel engines when the manufacturer has no specific requirement.</li> <li>• It can be used for total oil change or as a top-up oil.</li> </ul>
	Others	ElfMatic DEX III H		Automatic Transmission Fluid that is recommended for all automatic transmissions and hydraulic systems for which a Dexron III fluid is required by the manufacturer (automatic gearboxes, Torque converters and couplers, power steering systems).
		Elf Gearelf SAE 85W-90 GL4		<ul style="list-style-type: none"> <li>• Extreme-pressure transmission lubricant for the lubrication of loaded gears for which an API GL4 level of performance is required.</li> <li>• It is suitable for all manual transmissions, transaxles, transfer boxes and steering gears in automotive and agricultural equipment which require API GL4 level of performance.</li> </ul>
		Elf Frelub 650 DOT4		High performance synthetic brake fluid especially formulated for hydraulic brake systems in order to ensure safe braking in the most severe conditions.

Heavy Duty Diesel Engines	Mineral	Elf Performance Victory SAE 15W-40		<ul style="list-style-type: none"> <li>• A mineral lubricant recommended for use in on-road diesel technology. It is adapted to Euro 5, and previous engines, of most European and American manufacturers such as DAF and Renault Trucks.</li> <li>• It enables coverage some fleet of mixed brands (American and European manufacturers) with a minimal number of products.</li> </ul>
		Elf Perfo 3F SAE 20W-50		<ul style="list-style-type: none"> <li>• A detergent engine oil for high performance diesel supercharged or naturally aspirated.</li> <li>• Recommended for heavy duty turbo-charged diesel engines, with or without intercooler, incorporated in industrial transport vehicles, construction equipment, buses, vans and pickup under the severest working conditions.</li> </ul>
		Elf Perfo HDX 200 SAE 40 Elf Perfo HDX 200 SAE 50		<ul style="list-style-type: none"> <li>• Mono-grade lubricant recommended for all turbocharged or normally aspirated diesel engines of commercial vehicles (trucks, buses, vans, pick-ups,...).</li> <li>• Suitable for all diesel stationary engines (energy production).</li> <li>• Recommended to be used in older generation Diesel engines.</li> </ul>
		Elf Gearelf SAE 85W-140 GL5		<ul style="list-style-type: none"> <li>• Extreme-pressure sulfo-phosphorated oils for Hypoid gearboxes and axles.</li> <li>• These lubricants are parts of a modern range of products that are particularly suited to the most rigorous service conditions found in automotive mechanical transmission (light and heavy duty vehicles), agricultural machinery, civil engineering and handling equipment.</li> </ul>

Motorcycles	Semi Synthetic	Elf Moto 4 Road SAE 10W-40		<ul style="list-style-type: none"> <li>• Incorporates a clutch anti-slipage technology and gives superior performance in terms of lubrication.</li> <li>• You will enjoy a more comfortable ride thanks to easier acceleration and a visible reduction in gas emissions when starting.</li> <li>• Recommended for all kinds of bikes especially high speed engines, ATV and Jet Ski.</li> </ul>
		Mineral	Elf Moto 4 Cruise SAE 20W-50	
	Elf Moto 2 Self-Mix			<ul style="list-style-type: none"> <li>• Is formulated of the finest mineral oils selected for 2-stroke engines.</li> <li>• It guarantees easier cold start and provides multi-purpose protection for your engine.</li> </ul>

- For Passengers Cars, Check the "[Elf Lubes Chart](#)" to know the type of oil that best fits your engine.
- For Motorcycles, Check the "[Elf Moto brochure](#)" to know the type of oil that best fits your motorcycle.
