# IPT GROUP Calendar 2019

IPT 2019 calendar is inspired by our best business practices.

Our success story in the oil and gas industry was recognized by Forbes Middle East Magazine which selected Dr. Toni Issa, IPT CEO and Vice Chairman, among Lebanon's Top 35 inspiring Lebanese business leaders who have shaped the country's business landscape and received in this occasion "Forbes Lebanon 100 Award".

This is the result of years of hard work in which we focused on **incorporating sustainability into our daily activity, ensuring safe, incident-free and responsible business operations, supporting the efficient use of energy sources, empowering national economy and bringing value to the community.**

**Providing innovative products and services** was our biggest challenge, thus we succeeded in **meeting the growing market demand** in Lebanon, **fostering a culture of innovation and delivering excellent customer service** around the clock in accordance with our **business ethics and culture.**

As we grow into a **business that seeks excellence**, we have built **closer connections and better communication with stakeholders.** We are proud that our customers recommend us to their family and friends, suppliers seek for long-term relationships, and partners pursue for longstanding collaborations.

*Wishing you a successful year ahead.*
