

Distribution Ceremony of the 2nd Edition of the Energy Awareness Awards (EAA)

Under the patronage of HE Mrs. Nada Boustani Khoury, Minister of Energy and Water, UNDP and IPT Energy Center (IPTEC) organized on Friday 27 September 2019 at Le Royal Hotel - Dbayeh in the framework of International Beirut Energy Forum (IBEF 2019), the distribution ceremony of the Energy Awareness Awards (EAA 2019) in its second edition. EAA is a program that recognizes significant contributions of the public and private sectors including business, youth startups, entrepreneurs and academia in integrating sustainable practices within their fields and promoting energy sustainability in Lebanon.

The Awards distribution ceremony was held in the presence of the UNDP Resident Representative in Lebanon Mrs. Celine Moyroud, and IPTEC President Dr. Toni Issa... [Read more](#)

Certifications of Excellence

Dr. Issa Energy Ambassador of the Year 2019

The “International Beirut Energy Forum - IBEF 2019 selection committee” has selected the President of IPT Energy Center (IPTEC) Dr. Toni Issa as the “Energy Ambassador of the Year 2019” in the category of the Lebanese Individual.

Eng. Aurore Feghali, General Director of Oil at the Ministry of Energy and Water, delivered Dr. Issa the award during the opening ceremony of IBEF 2019, on Wednesday September 25 at Le Royal Hotel – Dbayeh.

The ceremony was held under the patronage of President Michel Aoun represented by H.E Minister of Energy and Water, Mrs. Nada Boustani Khoury and in the presence of Lebanese, regional and international figures. [Read more](#)

IPTEC Session at IBEF 2019

IPTEC Session at IBEF 2019: The Gas Station of the Future

As a Co-Sponsor of IBEF 2019, IPT Energy Center

IPT Sustainable Station

"IPT Sustainable Station" Stand at IBEF 2019

As a co-sponsor of the 10th International Beirut Energy Forum (IBEF 2019), IPTEC had a stand at the exhibition hall for three days from September 25 till 27. This year, the stand theme was IPT Sustainable Station, presenting mainly the eco-friendly features of the station. Worth noting that the latter opened its doors in Amchit earlier this year in the presence of Minister of Environment. The booth highlighted:

- Solar power system that constitutes a source of clean renewable energy that can power the station long after the initial cost of the solar array.
- Quantum, the advanced eco-friendly fuel from IPT
- EPT, the solar powered electric vehicle charger. [Read more](#)

(IPTEC) held a session on the 26th of September at Le Royal Dbayeh entitled “The Gas Station of the Future”.

The session was chaired by Eng. Aurore Feghali, General Director of Oil at the Ministry of Energy and Water, and brought together experts in the field to discuss the future challenges and trends that will shape the sector in terms of sustainable practices to optimize energy efficiency and advanced technologies that can enhance the customer’s experience.
