#Energy\_Library

The Abu Dhabi Department of Energy (DoE) has signed a five-year memorandum of understanding (MoU) with the Ministry of Mines and Energy of Colombia at an event held at the DoE's headquarters in Abu Dhabi. Under the terms of the agreement, both the parties will aim to explore opportunities for collaboration on capability development and sharing of knowledge and information, supporting joint projects and initiatives, and promoting the development of bilateral scientific, technical, technological, administrative, and commercial cooperation in the field of energy.

### **✓ SAVE ENERGY EVERYDAY**

A GPS system will save fuel if you travel to a lot of new, unfamiliar destinations. Remember to turn it off when not in use to reduce energy consumption.
