### Meet Our Newest Addition: IPT "Kefel" Station in Hanaouay- Tyre District

With more than 40 stations in the South, IPT continues to expand its presence across the country, reaching again the Southern borders of Lebanon.

Today, we are shedding the light on our station in Tyre district, under the name of IPT "Kefel" Station. One step away from Qana, it is strategically located on the main road of Hanaouay connecting the districts of Tyre and Bint Jbeil, giving you the chance to explore many remarkable sites on the way.

At IPT "Kefel" Station, you will have access to our premium gasoline supplied from Total, the wide range of French lubricant Elf, the eco-friendly IPT Diesel, as well as manual car and truck wash services, and more...

As part of our CSR strategy, we are here to enrich your culture through introducing new Lebanese villages in which we operate. [Read more](#)

## Our Stations

### IPT "F.M" Station in Zgharta: Now Open, Under New Management!

We are glad to announce that IPT "F.M" Station in Mejdlaya- Zgharta district, is now under new management. Despite the country's economic situation, the station has been recently renovated to meet the successful branding and image of IPT, and to ensure a new experience for its customers. [Read more](#)

## Happy Mother's Day

### An Inspiring Woman in Ethiopian Clean Energy Sector: Filagot Tesfaye

Source: Solar Energy Engineering blog

On the occasion of the "Women's International Day" that falls each year on 8 March, we decided to shed the light on the achievements of Filagot Tesfaye. She is a consultant, an engineer and example of working for one's community! She is also the founder, and managing director of ON ENERGY CONSULT in Addis Ababa, Ethiopia. Her company has the mission "to integrate energy efficiency and renewable energy solutions into existing and planned electrical systems". [Read more](#)
