Competition Results

Congratulations to our latest social media competition winner “Yara Bassil” who received a free Elf oil change from IPT. The correct answer was: 113 countries. Stay tuned for new competitions coming soon!

#Energy_Library

Egypt will begin to export 60 to 65 million cubic feet of gas per day to Lebanon, according to statements by the Minister of Petroleum to Reuters on the sidelines of an oil and gas conference in Abu Dhabi on Tuesday.

What's Happening:

- Egypt to start export 60-65 mcf/day of gas to Lebanon by 2022
- European stocks close lower as inflation data hits sentiment; Royal Mail up 10%
- OPEC member calls for calm after U.S. pressure to pump more oil
- U.S. holds historic oil and gas lease sale in Gulf of Mexico days after climate summit
