## **IPT Gas: Your Safe, Clean and Economical Home & Businesses Solution**

F&B      BUSINESSES      HOME

- ✓ Italian Tanks
- ✓ High Quality Standards Services
- ✓ High Safety Standards

Standing at the forefront of Gas Solutions and serving all market demands, IPT Gas Solutions are ideal for your home and business in many ways. IPT Gas Solutions encompass door-to-door distribution (of propane and butane) to homes, stores, and gas stations with a capacity of 10 Kg and 35 kg.

We also cater for higher demands of larger businesses such as factories, restaurants, and hotels, with:

- (1). Supplying bulk gas, with a free delivery service
- (2). Designing and installing central gas systems with above-ground and under-ground Italian tanks from Antonio Merloni; this service is provided by EQUIPT (member of IPT Group) which supplies these tanks with capacity of 500, 1000 and 1750, and they are ideal for kitchens, heating systems, chimneys, boilers, & barbecues, etc... known by their high standard and quality, these tanks are certified products that come with high corrosion resistant material, and are equipped with liquid and vapor phase delivery valves.
