IPT

We are all concerned about skyrocketing prices nowadays.

With IPT, you can now get the Elf Super SB-50 oil for your car, at an unbeatable price in Lebanese Pounds, and without compromising on quality!

Pass by IPT Stations and have your oil checked by our team, who will recommend you to use Elf Super SB-50. It is European-made and can be used not only as a top-up oil, but also for a complete oil change for cars that were manufactured before 2010. [Read more](#)

Safety First

Continuous QHSE Training for IPT Fleet Drivers

In order to optimize the IPT supply chain and ensure safety awareness efficiency in its operations, IPT consistently performs periodic safety and precautions training programs for its fleet drivers, and enforces the implementation of related procedures. Recently, a training session was carried out by the Quality Department, focusing on safety hazards... [Read more](#)

Lebanon's Death Rate and Economic Cost due to Air Pollution among the Highest in the MENA Region

*Source: Greenpeace
June 24, 2020*

Greenpeace MENA published a global report entitled "Toxic Air: The Price of Fossil Fuels", including figures that reveal the massive health and economic cost endured by countries due to their reliance on fossil fuels, which pollute the air and increase disease and mortality rates. [Read more](#)

**Keep up with the changes and challenges of the energy sector globally and stay in the loop of the recent developments of the oil & gas business locally, by visiting IPT's [Energy Library](#).*

related to the energy sector globally, as well as the recent local developments in the oil & gas industry. [Read more](#)
