Elf Lubricants, Frelub 650 and Glacelf: The BEST Formula Package

Always treat your vehicle with respect and care. Show that by treating your car, motorcycle or truck the way you would spoil your loved ones. Prevention is key nowadays and since your vehicle works on fire, metal, and fluid, if you don't keep things flowing, you'll regret it.

Benefit from 3 essential fluids from Elf that IPT offers you for your engine's longevity and protection:

- 1- [Elf Lubricants](#)
- 2- [Glacelf Coolant](#)
- 3- [FreLub 650 Brake fluid](#)

It's true that fuel is what your car uses the most, but don't neglect the other fluids. Set a schedule so you don't miss oil changes, and always watch out for unusual noises, odors, or vibrations. These 3 essentials fluids from Elf, available at IPT, might not stop you like an empty tank of gas, but they're equally important in keeping your vehicle in great working condition. [Read more](#)

Brent Oil Breaches \$60 With Tightening Market Stoking Optimism

Source: Bloomberg

Oil advanced above \$60 a barrel for this first time in more than a year as global supplies tighten and the demand outlook improves with the rollout of Covid-19 vaccines.

Futures in London gained as much as 1.2% before easing slightly on Monday, extending its rally after a third weekly gain. A year after the pandemic kept millions home, grounding planes and devastating fuel demand... [Read more](#)
