Your last chance is here!

Have you been actively working on reducing energy consumption? If the answer is yes, IPTEC and the UNDP would like to reward you! This is your last call to be nominated for the Energy Awareness Awards (EAA 2019).

The EAA recognizes outstanding achievements in the following categories: Renewable Energy, Energy Efficiency & Conservation, Mitigation of Climate Change, Innovation in Energy, Integrated Category. If you are a company in the private sector, a municipality, a university, a technical school or a youth innovation and entrepreneurship, and you have achieved a project in any of the above-mentioned categories, [Apply Now](#) for a chance to get recognized and awarded. Our Stations

IPT Amchit Marine Station: Operational for Summer 2019

Every summer, IPT opens the doors of its marine station in Amchit.

Hereby, we are pleased to inform you that the station that is conveniently located at Amchit seaport, is now ready to fuel your boats with top green gasoline "Quantum 95 octane" and "IPT Diesel".

Escape your daily routine, and pamper yourself and your friends with a magical sunset cruise along the Lebanese seashore... because nothing beats a boat trip when you are in the mood for a sweet escape. [Read more](#)

Mountain Mudd Espresso

Mountain Mudd by the Sea

The "Taste of America", Mountain Mudd Espresso is opening a new concept branch, a beach kiosk at Provincial Del Mare in Fidar.

Mountain Mudd's beach kiosk will open its doors

IPT Sustainable Station

Eco-friendly Air Conditioning System at IPT Sustainable Station

In line with our [Energy & Environmental Management Strategy \(EEMS\)](#), we built IPT's First Sustainable Gas Station and first-of-its-kind in Lebanon in Amchit few meters away from IPT Headquarters; a role model station that features advanced solutions and innovations in the field of energy and water conservation and pollution reduction. One of the station's green and sustainable features is an "eco-friendly air conditioning system": the station's air conditioning system - available at Bon Appetit convenience store and the station's office - uses R134a refrigerant which is ozone friendly... [Read more](#)

today to serve all beach lovers and great people visiting Provincial Del Mare to enjoy the summer sun. A variety of drinks will be available at the kiosk, and frozen drinks will be ready to quench your thirst. [Read more](#)

Great Coffee, Great People!
