Safety Comes First at IPT

At IPT, safety is a top priority. For this reason, and following our occupational QHSE Policy, we work hard and daily to preserve optimum safety to all our employees and stakeholders on our stations, headquarters and terminals.

- **At our stations:** in addition to the adopted safety measures such as the use of safety signs, fire extinguishers, sandboxes, and first-aid kits, we make sure to continuously train our

Economic Revolt

Economic Revolt: A Plan For Revival, by Lebanon Opportunities

Imports of petroleum derivatives increased four percent to four million tons in the first half of 2019 compared with the same period of the previous year. The value of these imports varies according to changes in global oil prices. It totaled \$4 billion in 2018.

- (1) the estimated Offshore Natural Gas
- (2) the local Demand for Petroleum Products
- (3) the import of Petroleum Derivatives... [Read more](#)
