IPTEC Supports and Participates in the "Berytech e-Hackathon 2020"

Congratulations to the 4 winners of the "Berytech e-Hackathon 2020"- Cleantech edition, organized by Berytech, co-funded by the Embassy of the Kingdom of the Netherlands in Lebanon, and supported by IPT Energy Center (IPTEC).

Dr. Toni Issa, President of IPTEC, joined the 1st edition of this online Hackathon as a jury member, evaluating the ideas and helping select the winning projects. This event was IPTEC's second Hackathon experience. IPTEC had also organized in 2018 "the First Urb-Hackathon in Lebanon after France & Korea" addressing the special theme of "Data-Urbanism: Reducing City Air Pollution from Transport". [Read more](#)

Happy Father's Day

IPT Gift Card: The Most Convenient Gift on Father's Day

June 21 is coming closer; still haven't thought of a gift for your dad on Father's Day? "IPT Gift Card" is a practical and convenient gift that suits your budget. It is the safe cashless solution that helps your dad reduce his fuel expenses on the go, as it offers him many IPT services including fuel purchases at most IPT Stations. [Read more](#)

Check Out the 8 Steps of a full "Oil Change Service" at IPT Stations

A simple car maintenance, such as oil change, prevents costly engine and transmission breakdowns. That's why, IPT recommends a regular oil change. For a professional Elf oil change, our team follows these main 8 steps:

1- Checking Engine Oil: Opens the hood, locates

Oil & Gas

Postponement of the deadline for the submission of applications to participate in the Second Offshore Licensing Round

May 31, 2020

Source: LPA

The Minister of Energy and Water issued the following statement: Tomorrow, June 1st, is the deadline to submit applications for the Second Offshore Licensing Round for the award of exclusive petroleum rights in the Lebanese maritime waters, which was previously postponed...[Read more](#)

*Keep up with the changes and challenges of the energy sector globally and stay in the loop of the recent developments of the oil & gas business locally, by visiting IPT's [Energy Library](#).

the engine oil dipstick and removes to check the oil level, color and texture.

2- Identifying the Right Oil: Leads you to IPT/Elf Oil Chart - where you can find recommendations - to choose the right oil viscosity for your car engine.

3- Matching the Oil Filter: Checks the oil filter's parts' number, and chooses the new matching oil filter. [Read more](#)
