Boustani Hands Total Permit to Drill 1st Exploratory Well

BEIRUT: Caretaker Energy Minister Nada Boustani Friday handed Total the permit to drill Lebanon's first exploratory well in Block 4.

"The launch and the handing over of the permit to drill the first exploratory well in Block 4 to the consortium of Total, Eni and Novatek is the first executive step in the discovery [of potential offshore oil and gas reserves]," Boustani said during a televised news conference. In February 2018, Lebanon signed its first offshore oil and gas exploration and production agreements... [Read more](#)

mixed with a correct quantity of water, it becomes a coolant fluid recommended by experts for all internal ignition engines in cars and vans, trucks, construction machinery and agricultural tractors. [Read more](#)
