Total Liban

From the Keynote of Mr. Daniel Alvarez, the Managing Director of Total Liban

"Total Liban is committed to providing the highest service quality to its customers. This partnership will further strengthen our service delivery to our customers through an enhanced supply chain network", says Mr. Daniel Alvarez, Managing Director of Total Liban.

Total Liban and IPT joined forces to establish the "Fuel Logistics Co. SAL" whose shares are equally held by both companies. This new synergy will reflect positively on the economy and the Oil and Gas sector in particular as it aims at enhancing the quality of imported petroleum products as well as HSEQ standards. Great Partnerships Fuel The Economy

The world is going through major changes in energy consumption and is shifting towards a more responsible use of energy. This poses a challenge to the Oil and Gas sector worldwide as it strives to produce cleaner energy in general and a better quality of fuel in particular. The current challenges the oil & gas field faces and its importance in the local economy have led two main actors, Total Liban and IPT, to form a new partnership to address this new reality.
