IPTEC and UNDP Renew the MoU on Sustainable & Renewable Energy

On 19 November 2018, The UNDP and IPT Energy Center (IPTEC) organized a press conference to announce the renewal of the Memorandum of Understanding between both parties, and opening of applications for the 2nd edition of the Energy Awareness Awards 2018-2019. The press conference took place at the UNDP offices in Beirut, in the presence of Mrs. Celine Mbyroud (Country Director at UNDP Lebanon), Mr. Edgard Chehab (Assistant Resident Representative at UNDP Lebanon) and Dr. Toni Issa (President of IPTEC).

The MoU provides a framework that facilitates the collaboration between both parties in several areas of common interests including a joint lobbying and support for activities related to sustainable and renewable energy, transportation sector and the oil and gas sector in Lebanon. [Read more](#)

Our Stations

IPT Pins a New Station in Beqaa, Rashaya District

As Lebanon celebrates the diamond jubilee of its independence, what about an inspection tour to Rashaya where the Citadel of independence is located?

On your way, you will pass by "Dahr El Ahmar" station that recently joined our network of stations at Rashaya district, Rashaya main road.

Once there, pay us a visit and benefit from the various services available at the station: Quantum 98&95 gasoline, IPT Diesel, oil change (ELF lubricants), and car wash. In addition, the station will soon "Accept GoGas" and IPT Fuel Cards, including the "IPT Fuel Gift Card" for holidays season. All in all, we promise you a hospitable reception, the Beqaa way!
