

IPT "MMJ" Station: New in Maten District

Today, IPT introduces the new "MMJ" station, proudly joining our network of stations in Maten District.

Situated on the main road of Chaouyet El Maten, IPT "MMJ" Station is your new stop whenever you are heading from Qornet el Hamra towards Beit Chabab.

Once there, you will feel at ease during your visit, because you are choosing premium products and a professional service. From Quantum gasoline, IPT Diesel, Elf lubricants and car wash, you can have access to all these top products and services, and more to come.

Make your way up to the mountains for some fresh air and relaxation! Read more

Corporate Social Responsibility

Because You Matter To Us!

We are proud to share with you the testimonial of Ayan, a child with Autism spectrum disorder. His Mother tells us his story: "Hello, I've contacted you because I believe it's important I tell you about Ayan's recent habit. Every time he wants to leave the house, he draws IPT's brand logo. We understood from it that perhaps he was trying to tell us that he wanted to go for a ride." Check our Facebook post and Read more.

Safety First!

Optimum Safety Measures Continues at IPT Premises

Because we take safety factor very seriously, we at IPT, continue to strengthen our safety measures to its highest levels. To this end, and in order to ensure a safe environment for our employees, stakeholders, and visitors at all times, we make sure to reinforce these measures at our headquarters, terminals and all our premises. <u>Watch video</u> and <u>Read more</u>.

UFM Declares Climate Finance Priority for Southern, Eastern Mediterranean region during Climate Week

July 15, 2020 Source: NNA

The limit of a 1.5°C increase in the average temperature, not to be surpassed as determined by the Paris Agreement, is already being exceeded in the Mediterranean region, according to the first-ever scientific report on the impact of climate and environmental change in the Mediterranean, a science-policy interface...
