### **IPT "Bawab" Station is Now Open in Harouf – Nabatieh**

As part of IPT's ongoing expansion plans to be able to serve you everywhere in Lebanon, we are glad to announce the opening of IPT "Bawab" gas station in Harouf, Nabatieh- South of Lebanon, raising by this our network to more than 200 gas stations spread all over the country.

IPT "Bawab" Station offers its customers the best products & services, which include sale of gasoline and diesel, manual car wash, Elf oil change and tires inflation, in addition to other vehicle-related services. Located on a main intersection in a populated and industrial area, IPT "Bawab" Station is easily accessible from both sides, and it is managed by Mr. Ali Karaki.

After you fuel up, remember that oil is your car's most important fluid. Get your oil checked to avoid maintenance issues. Elf is the trusted brand we advise you to use. [Read more](#)

### IPT's Commitment to Continuous Improvement

In an increasingly competitive market, the search for business, economic, and environmental excellence and balance is essential for the company to gain competitive advantage. Therefore, IPT implements the PDCA cycle (Plan, Do, Check, Act) as a basic fundamental tool to achieve its objectives and relevant growth strategy in today's market competitive challenges. ### Gasoline Prices in Lebanon v/s Global Oil Prices (\$ per 20L)

### Ramona Moubarak, Head of Country Risk Analysis, Bank Byblos

Another recognition for IPT website, with its useful time series for gasoline/diesel prices in Lebanon, available in the "Fuel Prices" page. The valuable data provided in this specific page was used by the Economist Ramona Moubarak, the Head of Country Risk Analysis at Bank Byblos Group, to come up with the above chart. Gasoline prices in Lebanon broadly in line with global oil prices taking into account Banque du Liban hydrocarbon subsidies in place since September 2019. [Read more](#)
