*Letter*

**From Our Family to Yours Have a Joyful Season!**

*Happy Holidays*  
FROM IPT

At the end of a year full of challenges, making crucial decisions, and critical economic conditions, IPT Group with the cooperation of all its members worked hard to make your days brighter, full of hope, plans and chances!

IPT during the past year has worked on local development in different areas and has funded ideas designed to preserve the future.

Our main concern was to find all possible solutions that will make you live in a healthier environment and have proved that products which may be considered as a main reason of pollution can be helpful in recycling and creating an eco-friendly usage. [Read more](#)

***Because you are the reason we wish you a hopeful season fueled with eco-friendly products.***

***Fuel your mind!***

## #IPT\_Holidays

### **IPT is Full of Christmas Spirit**

Christmas celebration at IPT never felt that special! This year, the children of all IPT employees had the chance to accompany their parents to their offices, where Santa Clause was waiting for them with his lovely gifts, and Santa's friends were very busy spreading joy everywhere. Cheering out loud, kids and adults, everyone was enjoying in the midst of the festive spirit, the Christmas songs and magic shows.

Because the real meaning of Christmas is never complete without a kind gesture towards the less fortunate, the entire IPT family gathered a sum to contribute to Father Majdi Allaoui's mission at "Bonheur Du Ciel". [Check albums and Read more.](#)

## Michel Issa Foundation (MIF)

### **Hopeful Holidays from MIF**

The time period between you and your future is shorter than you think! And if you think that you are alone, you should be mistaken. Michel Issa Foundation for local development (MIF) is

## Energy Sustainability

### ***IPT Energy Center (IPTeC): Make a Change, Have a Green Holiday***

*Sustainability is our objective, and to make it possible, we continuously cooperate with local and international organizations and institutions to conduct research and promote awareness on sustainable energy and eco-friendly actions.*

*Because you are the center of every change, we celebrate your eco-friendly creations and we give you the chance to be recognized and awarded.*

*We wish you a sustainable year ahead!  
Use your energy to save energy! [Read more](#)*

always by your side to help you be an actor of change for a better society!
