Firefighting, Emergency and Safety Training at LPG Terminal

Following our QHSE policy (Quality, Health, Safety, and Environment), IPT recently organized a 3 day training on the "Firefighting System and Emergency Response Plan" for LPG team at its Terminal located in Hosrayel and was performed by the Quality department (QHSE trainers).

This training was divided into 2 parts; The theoretical part and a live firefighting maneuver that was performed on the last day.

The training is aligned with the continuous health & safety program organized by IPT highlighting the strict safety measures applied not only at its gas stations, but also at its headquarters, WP & LPG terminals and related facilities. [Read more](#)

Corporate Social Responsibility

IPTEC Supports the World Environment Day

In the context of the COVID-19 pandemic, as we are being forced to rethink our rapport with nature, climate change and the loss of biodiversity are becoming a real concern.

IPTEC, the CSR arm of IPT, supports the "World Environment Day 2020" which comes this year under the theme of biodiversity. Let's consider this day as an opportunity to reflect, raise awareness and mobilize society to take action for the protection of nature. [Read more](#)
