Energy Sustainability

Dr. Issa: Innovation is the key to a Sustainable Future of Gas Stations

During his participation in the 2nd "Gas Stations Build Middle East" conference that was held in Abu Dhabi on the 9th and 10th of January, the CEO and Vice Chairman of IPT Dr. Toni Issa, highlighted the importance of innovation in the future of gas stations.

Dr. Issa revealed that gas station should be driven by innovation and technology, in addition to differentiation strategies and strong partnerships, to create a convenient one-stop shop to broaden the customer base and trigger positive customer feedback. [Read more](#)

It is a high-tech electronic card, easy to use, and highly secured with a PIN code of your choice. [Read more](#)
