

### "Khallina 3a Ittisal" 31st Issue- Featuring IPT Achievements in the Last Quarter

Despite the exceptional circumstances our country is witnessing, we make sure to end the year on a positive note. Hereby we are proud to announce the release of the 31st issue of "Khallina 3a Ittisal" covering IPT's major successes and achievements in the last quarter of 2019.

With the special holidays look and feel, this issue showcases our latest activities:

- Distribution Ceremony of the 2nd edition of the "Energy Awareness Awards" (EAA 2019)
- IPTEC Sponsoring the 10th International Beirut Energy Forum (IBEF 2019)
- Dr. Toni Issa, Receiving the "Energy Ambassador of the Year 2019 Award"
- IPTEC Session at IBEF 2019: The Gas Station of the Future
- UNDP Resident Representative Visit to IPT Headquarters

In a coherent content, the channel covers must-watch videos you need to see about IPT including documentaries, video news releases, reports, about many collaborations, activities and events, seminars, workshops... [Read more](#)

## Energy Sustainability

### **Energy Awareness Awards (EAA 2019): Recognition Award**

As part of IBEF 2019, the second edition of the Energy Awareness Awards (EAA 2018-2019) was organized by [IPTEC](#) and UNDP with the support of the Ministry of Energy and Water on 27 September at Le Royal Dbayeh. The EAA program is a one-of-a-kind initiative in Lebanon that recognizes significant contributions to energy sustainability in Lebanon. During the Energy Awareness Awards distribution ceremony, the organizers presented a recognition award to The "Lebanese Standards Institution" (LIBNOR), a public institution attached to the Ministry of Industry, for its several activities related to energy and environment that contributed to sustainable development.
