### **Lebanon Begins 'Historic' Offshore Oil Drilling Amid Crisis, by the Washington Post**

February 27, 2020

Beirut — Lebanon's president Thursday inaugurated the Mediterranean country's first offshore exploratory drilling for oil and gas, calling it a "historic day" for the cash-strapped country. Michel Aoun spoke aboard the drill ship Tungsten Explorer, which will be conducting the drilling operations of the first exploration well, located approximately 30 kilometers (18 miles) offshore from the capital Beirut.
