### Eco-friendly Back-to-School Tips

Back-to-school season has started. Here are some useful tips to have an eco-friendly start of school year:

- 1- Inventory your supplies before buying more:** Reduce your consumerism and avoid last-minute impulse purchases by making a list of what you really need before you go to the store, and stick to it!
- 2- Choose non-toxic and eco-friendly school supplies:** Choose backpacks made of recycled material and avoid the shiny, plastic models that often contain PVC. Choose recycled pencils and refillable pens.
- 3- Buy used books:** They are often available half priced and in good conditions. [Read more](#)

Get your engine's oil checked by our professional team at IPT Stations, and benefit from the premium quality of Elf lubricants that meet the highest standards and international reputation. You will receive a handy toolbox with every 4 L synthetic Elf oil change. [Read more](#)
