**Our Stations**

**IPT Growing Presence in Haret Saida, Saida District**

IPT continues to grow with new gas stations expanding everywhere in Lebanon, in line with the beautiful towns and villages that we discover together throughout this journey.

In a strategic spot throughout Jezzine-Saida highway lies the new IPT "Abboud" Station in Haret Saida, recently joining our network of stations.

While on the road, stop in for some fine fueling; we are there to give you easy access to Quantum our premium 98&95 octane gasoline, and IPT Diesel which conforms to Euro 4 & Euro 5 standards. When it comes to lubricants, we offer the top quality of Elf oil, and get you served in a spacious oil change bay, and car wash. [Read more](#)

"I believe in ensuring Affordable, Reliable, and Efficient Energy while resorting to more energy resources to achieve the 2030 agenda", says Dr. Toni Issa, as part of the promise he made when he got selected as Goal Leader for SDG7. [Watch video.](#)

**Our Commitment to a Professional Oil Change Service, through Continuous Trainings**

Regular training empowers our workforce to meet your car care requirements. Whenever you visit IPT stations for an oil change, you will get a recommendation on the Elf oil package best adapted to your car and driving profile.

Because we care about you and your car, we go beyond oil change service to offer you a preventive maintenance as well! Listen to [radio spot](#), and Click [here](#) to know more about Elf.
