IPTEC Participates in the "2018 Hult Prize Lebanon"

IPTEC President Dr. Toni Issa joined the "2018 Hult Prize Lebanon" as part of the judicial panel to identify the winning team who will compete internationally to win the 2018 challenge. Hult Prize is a worldwide challenge launched every year since 2010 to inspire and enable the world's brightest minds to solve its greatest problems. Under the title of "**Harnessing the Power of Energy**", the 2018 Hult prize is an invitation to university students in more than 100 countries to form teams and develop energy innovations that can be scaled to **Transform the lives of 10 Million People**.

IPTEC's participation in this activity comes in line with its **commitment to energy sustainability** and supports its social and environmental objectives... [Read more](#)
