Change your vehicle's oil at IPT Stations before hitting the roads and benefit from the limited time summer promotion.

A handy toolbox with every 4 L Synthetic oil change at IPT Stations across Lebanon is all what you need for your long summer road trips, and a high standard European Lubricant is all what your car's engine needs to prevent unexpected break downs.

If you are confused about the type of oil that suits your car, you can download the [Elf lubes chart](#) or you can trust our professionals in doing it. [Read more](#)

Energy Sustainability

EAA 2019: Register before June 15

IPT Calendar

June: the Month of Innovative Products and Services

At IPT, we are working continuously to always provide the best products and services taking into consideration human and environment along with benefits. After the launching of our first-of-its-kind in Lebanon IPT Sustainable Station, that provides innovative clean and green services and energy efficient features, we chose “innovative products

Car Maintenance Tip

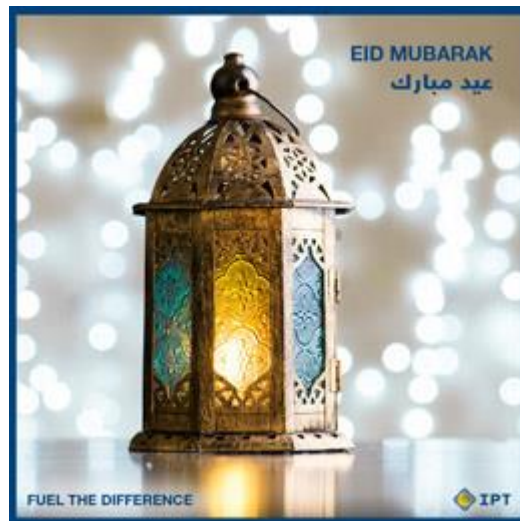

Oil Change tips

If you're confused about the right time to change your motor oil and how often, here are some tips to set you straight:

- 1- Check your car's manual to know when to change your motor oil or visit any of IPT stations and get a free of charge oil check.
- 2- Check your oil level at least once a month and be sure to get repairs done at the first sign of a leak.
- 3- To know the right type of oil for your engine, download the [Elf lubes chart](#).
