## 2019 Year In Review

Dear Friends,

IPT 2019 year was full of energy! Milestones were achieved, stories and memories were created enabling us to come one step further to achieve our vision and mission.

As we leave behind a year of achievement, innovation and advancement, we believe that the coming year has the potential to be a successful one despite the hard and unprecedented circumstances that occurred in the last quarter of 2019 and still ongoing.

Thank you for being an essential part of our "365 Days of IPT Stories". We promise we will remain "Here For You" in 2020.
