IPT Energy Center (IPTEC)

IPTEC Supporting "Mind the GAP" Conference

Under the auspices and in the presence of the President of the Republic, HE General Michel Aoun, the "Mind the Gap" Forum was held on Saturday, November 10th 2018, at The Emile Lahoud Conference Hall, Dbayeh.

The forum was organized by the Lebanese National Energy (LNE), a non-for profit organisation with the mission to boost the Lebanese economy by linking economic, business, and academic leaders in order to enhance growth and prosperity. The mission of the forum was to identify and highlight different capacities and skills through discussions of challenges with concrete solutions by exploring the roles of all the parties involved, distinguishing the respective roles of Governments, private sector and civil society for strengthening partnerships and impact assessment. **IPT Energy Center (IPTEC)** was among the main supporters, as part of the center's mission in fulfilling IPT's CSR in the field of social and local development. "Transition Towards Sustainable Land Transport": Highlights on IPTEC Session at IBEF2018

On Sept. 26, IPTEC participated for the 4th year in a row in IBEF 2018 in a session entitled "Transition towards a Sustainable Land Transport" and organized in collaboration with the UNDP, MoEW, USEK, and PAC/Harb Electric. The 2nd part of the session featured the announcement of the results of the reports published recently by the MoEW and the UNDP and presented by Dr. Charbel Mansour (Energy Expert and University Professor, UNDP SODEL Project, Lebanon) on the following topics:

- (1) Cost Benefit Assessment for the Use of Natural Gas and Electricity in Mass Transit Systems in Lebanon
- (2) Cost Benefit Analysis for the Use of Natural Gas and Other Low Carbon

Elf Lubricants

Regular Oil Change Trainings for IPT Employees

Regular training empowers our workforce to meet your car care requirements.

Whenever you visit IPT stations for an oil change, you will get a recommendation on the Elf oil package best adapted to your car and driving profile.

Because we care about you and your car, we go beyond oil change service to offer you also a preventive maintenance! Listen to [radio spot](#), and Click [here](#) to know more about Elf.

Fuels in the Transport Sector in Lebanon, presented for the first time to the public. [Download presentation](#) to know more.
