"Be An Eco-driver" by Avoiding Idling

Stuck in the holiday season traffic jam? Try to avoid idling! Turn off your engine when you stop for more than 1 minute. Idling for more than 30 seconds wastes fuel and produces additional pollution.

This advise is brought to you by Eco-leaf, IPTEC's character that symbolizes the green nature. After all, less pollution is the best gift we owe to mother nature.

Download IPTEC's [Eco-driving license](#) to know more about the 15 easy tips that you can apply on a daily basis to become an Eco-driver, and preserve your health and environment.
