Renovated IPT Station at Daroun

Can't wait to get back on the road and visit your all-time favorite destination?
Drop by our newly renovated IPT station on your way to Harissa and enjoy the breathtaking view.

IPT "Daroun" Station, directly managed by the company and located close to Our Lady of Lebanon, is ready to serve you! Pass by to fuel your journey with high quality gasoline, diesel or check if your oil needs change. For a safe and practical way to pay for your fuel expenses, use "IPT Prepaid Fuel Card" and pay in Lebanese Pounds. [Read more](#)

Training and Development

We Work Hard to Serve you Best

Following the government's decision to gradually resume working days, and since professional service is our top priority, IPT is continuously running training sessions for existing and new employees. With a focus on health and safety, IPT aims to have a specialized staff at the stations to guarantee a high quality service, and ensure customer satisfaction.

Statement about the Second Offshore Licensing Round regarding Drilling in Block 4

May 12, 2020

Source: LPA

The Council of Ministers approved a decree that allows companies wishing to take part in the second offshore licensing round to submit licensing round applications by hand – using a sealed package containing all required statements and documents - or through the Internet via a secure and safe Online Submission mechanism based on Law 81/2018 the Electronic Transactions and Personal Data Law.
