New IPT Station Opens in Msayleh, Nabatieh District

IPT Stations are getting closer to you everywhere across Lebanon.

This week, "Charaf Eddine" Station in Msayleh- Nabatieh District joined our network of stations. Strategically located on Msayleh highway, the main gate of Nabatieh, IPT "Charaf Eddine" Station welcomes you in its vast spaces to offer you IPT "Quantum 98&95" Gasoline, IPT Diesel, Elf lubricants, and IPT Fuel Cards. You can also conveniently shop at the station's mini-store that will open soon.

As for Nabatieh, it is an important town in southern Lebanon on both the economic and cultural levels. It is the 10th-most-populous town in Lebanon with more than 85,000 people, and the birthplace of several educated and well-known men... [Read more](#)

Great Coffee, Great People!

In for a Happy Hour @Mountain Mudd?

The "Happy Hour" just got happier, starting soon at your favorite American Coffee provider: Mountain Mudd Espresso!

Double your pleasure this summer at all Mountain Mudd Espresso drive-thru kiosks and coffee shops by getting the large size of your favorite drink and paying for the Medium. Gather with friends and family and benefit from this offer daily in July and August from 4 pm to 6 pm for the variety of Mountain Mudd drinks. [Read more](#)

Corporate Social Responsibility

IPT Supporting the International Basketball Tournament 2018

In a step to encourage Lebanese sports, IPT supported the International Basketball Tournament 2018 organized by Step Ahead Sports School (SSS). The tournament took place over three consecutive days from June 21 till 23

Energy Sustainability

We Need these Biodegradable Bags Everywhere

The world is drowning in an ocean of plastic pollution. Almost every piece of plastic we ever made still exists; it takes up to 200 years to decompose.

This plastic bag is 100% plant-based, and could replace trillions of bags we waste every year. It looks and feels like plastic, but it's actually made of Yucca, a root vegetable. It also dissolves, which means it won't hurt animals or insects even if they eat it. It's so safe; Humans can drink it. Watch [video](#) to know more.

2018, with the participation of Qatar and Armenia. This event is considered as a preparation for the Lebanese basketball National team to qualify for the world cup. [Read more](#)
