Our customers love the simplicity, speed and cleaning results of our new Laserwash machines.

The new Laserwash® in-bay automatic car wash, exclusively installed at IPT stations, raises the standard of touch-less car wash. The Smart 360™ Technology enables the car wash system to be responsive to the dynamic conditions in the wash bay and allows it to "think for itself" while optimizing the wash process. Laserwash provides a 6-step car wash service in less than 5 minutes leading to shorter waiting lines and amazing results. [Read more](#)

Energy Sustainability

IPT Supports the Shift to Green Diesel, a Cleaner Energy Source

"Lebanon is moving toward using green diesel as opposed to red diesel", H.E. Minister of Energy and Water Cesar Abi Khalil stated on Tuesday June 19, "we are announcing a big environmental step towards eliminating polluted diesel from the Lebanese market". [Read more](#)

Caring about the environment, IPT totally supports this positive shift towards a greener product, and considers this initiative to be a nationwide achievement. This is why, IPT offers you its advanced and eco-friendly petroleum products: [IPT Diesel](#), and [Quantum 98&95](#).
