

## IPT Taking Part in Extreme Energy Event

This weekend, IPT met all sports and water activities lovers and contributed in fueling their weekend with extreme energy.

From Sunday July 28 till Sunday August 4, IPT was present at Chabrouh Dam to support Extreme Energy event that took place under the patronage and in the presence of the Minister of Energy & Water H.E. Nada Boustani Khoury.

Many aquatic shows were performed by Lebanese and foreign groups, champions and amateurs proving that in addition to the dam basic functions of storing water, it can also be a platform for development, sports and social activities. [Read more](#)
