New IPT Station Opens in Helta, Batroun District

Get to know more about our new locations across Lebanon.

This week, IPT "Helta" Station joined our network of stations. Located on Helta highway leading to Tannourine in northern Lebanon and on one of the most attractive spots in the village, IPT "Helta" station is ready to serve you with Quantum 98 & 95 gasoline and IPT Diesel. You can also benefit from an instant oil change service, in addition to car wash. Soon the station will "Accept GoGas", IPT's corporate fueling card, and will open a convenience store to satisfy a wide array of its customers' needs. [Read more](#)

Michel Issa Foundation (MIF)

OTV, Tele Lumiere, and VDL Featuring "the Statue of Our Lady of the Seas" at Amchit Seaport

Given its cultural and religious significance, the Statue Of Our Lady of the Seas in Amchit captured the attention of the media. The team of "Sellom 3a Sama" show on OTV came to Amchit seaport to interview Dr. Toni Issa, the President of **Michel Issa Foundation for Local Development (MIF)**, and to take live shots and footage to prepare a full report about the statue. The report will be aired soon on OTV. [Read more](#).

Energy Sustainability

Throwback to the Eco-driving Campaign by IPT Energy Center (IPTEC)

As part of the "National Campaign for Air Pollution Reduction in Lebanon through Efficient Energy Use in Land Transportation", **IPTEC** launched in 2014 the Eco-Driving awareness campaign to promote practices that reduce fuel consumption and the level of pollutants emitted while driving. Check here [IPTEC's Eco-driving license](#) that contains easy eco-driving tips that can be applied on a daily basis.
