

CALENDAR 2016

IPT Energy Center (IPTEC) collaborated with Fabriano-Lebanon for the 2014-2015 drawing contest under the theme "Be the Eco-Drivers of Tomorrow".

IPTEC team visited several schools in different regions and reached out to more than 1500 students to raise the level of awareness on Eco-Driving practices among Lebanon's future drivers. In this framework, talented drawings were selected to win valuable prizes and awards.

IPTEC is proud to expose in this calendar 12 of the most creative winning drawings on Eco-Driving.

Wishing You an Eco-Driving Year 2016
