A Rewarding September With IPT Prepaid Fuel Card!

Double your points
with IPT Prepaid Fuel Card
at IPT Stations!

2X
POINTS

From 15 till 30 September 2019

Hotline: 78 822822

Summer is almost over, but great promos have just begun! Whether you are back to focus at work or in “back to school” mode, we have good news for you.

If you are an **IPT Prepaid Fuel Card** holder, your rewards will double up this September. Earn double the points for all your purchases from 15 till 30 September 2019.

Essentially, card users get 1 point for every \$1 spent at IPT Stations. During the designated promo time frame, all card users will be entitled to 2 points for every dollar spent.

Our Stations

The New IPT "Bitar" Station in Kfar Habou-Danniyeh district

IPT "Bitar" Station is a new member that joined IPT network of stations in the North of Lebanon.

While taking the main road of Kfar Habou, make a stop at IPT "Bitar" Station in Danniyeh district and fuel your journey with difference.

Let your engine experience the power of Quantum, the Advanced Fuel from IPT; if you have a diesel engine, watch its best performance by fueling IPT Diesel.

Stay Connected!

September 2019 Issue of "Khallina 3a Ittisal" is Out!

In this September issue of "Khallina 3a Ittisal", get a close view on the opening of our "First Sustainable & Eco-friendly Gas Station in Lebanon" in Amchit, the announcement of our CSR Report, and IPT's participation in many conferences tackling the status and challenges of oil and gas and the opportunities brought by sustainable energy.

Energy Sustainability

The Future of Gas Stations – IPTEC at IBEF 2019

As a co-sponsor of the International Beirut Energy Forum (IBEF- 2019), IPT Energy Center (IPTEC) will be hosting a discussion on the 26th of September tackling the topic of "The Gas Station of the Future". This session will be highlighting the importance of change to examine future challenges and trends that will shape the oil and gas sector in terms of (1) sustainable practices to optimize energy efficiency, and (2) advanced technologies that can enhance the customer's experience...
