

TRUCK WASH

Now available at IPT Station Amchit Highway

1st Automatic Truck Wash in Lebanon

“The biggest vehicles on the street need cleaning”

After the large success of the touch free Laserwash machine, IPT has introduced the first professional truck wash system that can save you time, money and give you the flexibility to choose between friction and touch free wash for your commercial vehicles. All that was made possible now with our strong partner KÄRCHER who is the leader in providing optimal cleaning solution on the professional level.
